

Technical Sheet

MiFID II/MiFIR Market Data Provision Obligation

1 - Introduction

Under MiFID II/MiFIR, trading venues are obliged to provide market data on a reasonable commercial basis. This technical sheet aims to disclose to the public information on how OMIP provides market data, namely the information required under Article 11(2)(c)(d) and (e) of Commission delegated Regulation (EU) 2017/567.

2 – Disclosure

Current Price List:

https://www.omip.pt/system/files/2020-01/omip_notice_03-2010_price_list_3.jan.2018_en_0.pdf
